

GRID METALS CORP. (formerly MUSTANG MINERALS CORP.)

MANAGEMENT INFORMATION CIRCULAR

ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON OCTOBER 30, 2018

THIS INFORMATION CIRCULAR CONTAINS INFORMATION AS AT SEPTEMBER 23, 2018

GENERAL PROXY INFORMATION

Solicitation of Proxies

This management information circular (“**Management Information Circular**”) is furnished in connection with the solicitation of proxies by the management and the Directors of **GRID METALS CORP. (formerly MUSTANG MINERALS CORP.)** (the “**Corporation**”) for use at the annual meeting of the shareholders of the Corporation (the “**Meeting**”) to be held at **Blaney McMurtry LLP, 2 Queen Street East, Suite 1500, Toronto, ON M5C 3G5, at 11:00 a.m. (Toronto Time) on October 30, 2018** for the purposes set out in the foregoing Notice of Meeting, and at any adjournment or adjournments thereof for the purposes set forth in the accompanying notice of the Meeting (the “**Notice of Meeting**”). The solicitation of proxies will be made primarily by mail and may be supplemented by telephone or other personal contact by the Directors, officers and employees of the Corporation. Directors, officers and employees of the Corporation will not receive any extra compensation for such activities. The Corporation may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Corporation in favour of the matters set forth in the Notice of Meeting. The Corporation may pay brokers or other persons holding common shares of the Corporation (“**Common Shares**”) in their own names, or in the names of nominees, for their reasonable expenses for sending proxies and this Management Information Circular to beneficial owners of Common Shares and obtaining proxies there from. The cost of the solicitation will be borne directly by the Corporation.

No person is authorized to give any information or to make any representation other than those contained in this Management Information Circular and, if given or made, such information or representation should not be relied upon as having been authorized by the Corporation. The delivery of this Management Information Circular shall not, under any circumstances, create an implication that there has not been any change in the information set forth herein since the date hereof.

Notice and Access Process

The Corporation has decided to use the notice and access model (“**Notice and Access**”) provided for under recent amendments to National Instrument 54-101 for the delivery of the Circular, financial statements for the years ended December 31, 2017 and 2016 and Management’s Discussion and Analysis (collectively, the “**Meeting Materials**”) to shareholders for the Meeting. The Corporation has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Meeting Materials, shareholders receive a notice (“**Notice**”) with information on the Meeting date, location and purpose, as well as information on how they may access the Meeting Materials electronically.

As provided in the Notice, the Meeting will be held on October 30, 2018 at 11:00 a.m. (Eastern Daylight Time) at Blaney McMurtry LLP, 2 Queen Street East, Suite 1500, Toronto, ON M5C 3G5, for the purposes described under the title - “Particulars of Matters to be Acted Upon”.

The record date for the Meeting is September 20, 2018. The record date is the date for determining the shareholders entitled to receive notice of, and to vote at, the Meeting and any adjournment. The deadline for receiving duly completed and executed forms of proxy or submitting your proxy by telephone or over the internet is by 11:00 am (Eastern Daylight Time) on October 26, 2018 or no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of any adjourned or postponed Meeting.

The Corporation urges shareholders to review this Circular before voting.

Requesting Printed Meeting Materials

Shareholders can request that printed copies of the Meeting Materials be sent to them by postal delivery at no cost to them up to one year from the date this Circular was filed on SEDAR. Registered shareholders may make their request through the Corporation's website, www.gridmetalscorp.com, or by calling 1-855-813-6052 ext 2.

Non-Registered Shareholders

Only registered shareholders of the Corporation, or the persons they appoint as their proxies, are entitled to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a "**Non-Registered Shareholder**") are registered either:

- (a) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Shareholder deals in respect of the Common Shares (Intermediaries include, among others: banks, trust companies, securities dealers or brokers, trustees or administrators of a self-administered registered retirement savings plan, registered retirement income fund, registered education savings plan and similar plans); or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited, in Canada, and the Depository Trust Company, in the United States) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Management Information Circular and its form of proxy (collectively the "**Meeting Materials**") to the Intermediaries and clearing agencies for onward distribution to Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (a) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "**voting instruction form**") which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for the form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- (b) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Trans Canada Transfer Inc., 25 Adelaide Street East, Suite 1301, Toronto, Ontario, M5C 3A1.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives either a voting instruction form or a form of proxy wish to attend the Meeting and vote in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the form of proxy and insert the Non-Registered Shareholder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the directions indicated on the form. **In either case,**

Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and their service companies, including those regarding when and where the voting instruction form or the proxy is to be delivered.

Appointment and Revocation of Proxies

The persons named in the form of proxy accompanying this Management Information Circular are Directors and/or officers of the Corporation. A shareholder of the Corporation has the right to appoint a person or company (who need not be a shareholder), other than the persons whose names appear in such form of proxy, to attend and act for and on behalf of such shareholder at the Meeting and at any adjournment thereof. Such right may be exercised by either striking out the names of the persons specified in the form of proxy and inserting the name of the person or company to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to Trans Canada Transfer Inc. in time for use at the Meeting in the manner specified in the Notice of Meeting.

A registered shareholder of the Corporation who has given a proxy may revoke the proxy at any time prior to use by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such registered shareholder or by his or her attorney authorized in writing or by electronic signature or, if the registered shareholder is a corporation, by an officer or attorney thereof properly authorized, either: (i) at the principal office of the Corporation, at Suite 304, 3335 Yonge Street, Toronto, Ontario, M4N 2M1, at any time prior to 5:00 p.m. (Toronto time) on the last business day preceding the day of the Meeting or any adjournment thereof, (ii) with Trans Canada Transfer Inc., 25 Adelaide Street East, Suite 1301, Toronto, Ontario, M5C 3A1, at any time prior to 5:00 p.m. (Toronto time) on the last business day preceding the day of the Meeting or any adjournment thereof, or (iii) with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; (b) transmitting, by telephone or electronic means, a revocation that complies with paragraphs (i), (ii) or (iii) above and that is signed by electronic signature, provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such shareholder or by or on behalf of his or her attorney, as the case may be; or (c) in any other manner permitted by law including attending the Meeting in person.

A Non-Registered Shareholder who has submitted a proxy may revoke it by contacting the Intermediary through which the Non-Registered Shareholder's Common Shares are held and following the instructions of the Intermediary respecting the revocation of proxies.

Exercise of Discretion by Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be conducted at the Meeting, or at any adjournment thereof, in accordance with the instructions of the shareholder thereon. **In the absence of instructions, such Common Shares will be voted for each of the matters referred to in the Notice of Meeting as specified thereon.**

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters identified in the Notice of Meeting and on other matters, if any, which may properly be brought before the Meeting or any adjournment thereof. At the date hereof, management of the Corporation knows of no such amendments or variations or other matters to be brought before the Meeting. However, if any other matters which are not now known to management of the Corporation should properly be brought before the Meeting, or any adjournment thereof, the Common Shares represented by such proxy will be voted on such matters in accordance with the judgment of the person named as proxy therein.

Signing of Proxy

The form of proxy must be signed by the shareholder of the Corporation or the duly appointed attorney of the shareholder of the Corporation authorized in writing or, if the shareholder of the Corporation is a corporation, by a duly authorized officer of such corporation. A form of proxy signed by the person acting as attorney of the shareholder of the Corporation or in some other representative capacity, including an officer of a corporation which is a shareholder of the Corporation, should indicate the capacity in which such person is signing and should be accompanied by the appropriate instrument evidencing the qualification and authority to act of such person, unless such instrument has previously been filed with the Corporation. A shareholder of the Corporation or his or her

attorney may sign the form of proxy or a power of attorney authorizing the creation of a proxy by electronic signature provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such shareholder or by or on behalf of his or her attorney, as the case may be.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

None of the Directors or Senior Officers of the Corporation, nor any person who has held such a position since the beginning of the last completed financial year of the Corporation, nor any proposed nominee for election as a Director of the Corporation, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of Directors, the matters set out under the heading “Particulars of Other Matters to be Acted On”, and as otherwise disclosed herein.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

There are outstanding as of the date hereof 42,316,610 fully paid and non-assessable common shares of the Corporation. Each common share carries the right to one (1) vote per share. Each holder of outstanding common shares of record at the time of the close of business on September 20, 2018 (the “**record date**”) will be given notice of the Meeting and will be entitled to vote at the Meeting the number of common shares of record held by him on the record date except if such shareholder subsequently transfers the ownership of his common shares and the transferee demands not later than 10 days before the Meeting that the transferee’s name be included on the list of shareholders entitled to vote at the Meeting and establishes to the Corporation that he owns such shares in which case the transferee is entitled to vote his common shares at the Meeting.

To the knowledge of the Directors and Senior Officers of the Corporation, only the following person beneficially owns, directly or indirectly, or exercise control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Corporation which have the right to vote in all circumstances.

Approval of New Equity Incentive Plan

Since 2009, the Corporation has maintained a Stock Option Plan for the directors, officers, employees, consultants and other service providers of the Corporation. The Stock Option Plan was first approved at an annual meeting of shareholders of the Corporation on September 22, 2009 and re-approved most recently by shareholders on June 7, 2017. As at September 23, 2018, options to acquire 1,855,000 Common Shares have been granted and are outstanding under the Stock Option Plan, representing approximately 4.4% of the Corporation's total issued and outstanding Common Shares.

On September 19, 2018, the Board passed a resolution to adopt an equity incentive plan in the form set out at Schedule "C" hereto (the "**New Equity Incentive Plan**"), subject to, and effective upon, the approval of shareholders. The New Equity Incentive Plan provides flexibility to the Corporation to grant equity-based incentive awards in the form of options, deferred share units and restricted share units (as described in further detail below) to attract, retain and motivate qualified directors, officers, employees and consultants of the Corporation and its subsidiaries. If shareholders ratify the New Equity Incentive Plan, the Corporation will have additional flexibility with respect to equity-based awards and the Stock Option Plan will then remain in effect only in respect of outstanding options, and no further options will be granted under the Stock Option Plan. As such, provided that the New Equity Incentive Plan is approved by the shareholders at the Meeting, all future grants of equity-based awards will be made pursuant to, or as otherwise permitted by, the New Equity Incentive Plan, and no further equity-based awards will be made pursuant to the Stock Option Plan as of the date of the Meeting. The Stock Option Plan will remain in effect only in respect of outstanding options.

The purpose of the New Equity Incentive Plan is to, among other things: (a) provide the Corporation with a mechanism to attract, retain and motivate qualified directors, officers, employees and consultants of the Corporation, including its subsidiaries, (b) reward directors, officers, employees and consultants that have been granted awards under the New Equity Incentive Plan for their contributions toward the long term goals and success of the Corporation, and (c) enable and encourage such directors, officers, employees and consultants to acquire shares of the Corporation as long term investments and proprietary interests in the Corporation.

The total number of Common Shares reserved for issuance pursuant to awards granted under the New Equity Incentive Plan and the Stock Option Plan shall not exceed 10% of the issued and outstanding Common Shares from time to time. The Equity Incentive Plan is considered an "evergreen" plan, since the shares covered by awards which have been exercised or terminated shall be available for subsequent grants under the Plan and the number of awards available to grant increases as the number of issued and outstanding units increases.

A summary of the key terms of the New Equity Incentive Plan is set out below under "**Key Terms of the New Equity Incentive Plan**".

At the Meeting, shareholders will be asked to consider, and if deemed advisable, to pass, with or without variation, an ordinary resolution, ratifying the adoption of the New Equity Incentive Plan. Options previously granted under the Stock Option Plan will continue to be unaffected by the approval or disapproval of the ordinary resolution, as such options will remain governed by the Stock Option Plan. The text of the proposed resolution is set forth below.

"BE IT RESOLVED THAT:

1. The new equity incentive plan adopted by the board of directors of the Corporation (the "**Board**") on September 19, 2018, (the "**New Equity Incentive Plan**"), in the form attached as Schedule "C" to the management information circular of the Corporation dated September 23, 2018 (the "**Management Information Circular**"), which provides for the issuance from time to time of up to a maximum of 10% of the issued and outstanding common shares of the Corporation at any such time, and the other key terms of which are set forth under "Particulars of Matters to be Acted Upon – Approval of New Equity Incentive Plan – Key Terms of the New Equity Incentive Plan" in the Management Information Circular, is hereby ratified, authorized and approved.
2. The Corporation is hereby authorized to grant equity-based awards under the New Equity Incentive Plan in accordance with its terms until the next annual meeting of shareholder.
3. Any director or officer of the Corporation be and each of them is hereby authorized and directed, for and in the name of and on behalf of the Corporation, to execute and deliver or cause to be executed and delivered all documents, and to take any action, which, in such director's or officer's own discretion, is necessary or desirable to give effect to this resolution."

The affirmative vote of a majority of the votes cast in respect thereof is required in order to pass such resolution.

The Board recommends that shareholders vote FOR the foregoing resolution approving and ratifying the New Equity Incentive Plan. **In the absence of contrary directions, the persons named in the accompanying form of proxy intend to vote the common shares represented thereby for the resolution approving and ratifying the New Equity Incentive Plan.**

Key Terms of the New Equity Incentive Plan

Below is a summary of the key terms of the New Equity Incentive Plan, which is qualified in its entirety by reference to the full text of the New Equity Incentive Plan, attached hereto as Schedule “C”.

Common Shares Subject to the New Equity Incentive Plan

Subject to the adjustment provisions provided for in the New Equity Incentive Plan, the total number of Common Shares reserved for issuance pursuant to awards granted under the New Equity Incentive Plan and the Stock Option Plan shall not exceed 10% of the issued and outstanding Common Shares from time to time. The Equity Incentive Plan is considered an “evergreen” plan, since the shares covered by awards which have been exercised or terminated shall be available for subsequent grants under the Plan and the number of awards available to grant increases as the number of issued and outstanding units increases.

The number of Common Shares issuable to insiders under the New Equity Incentive Plan and all other security-based compensation arrangements cannot exceed 10% of the issued and outstanding Common Shares at any time. The number of Common Shares issued to insiders within any one year period and all other security-based compensation arrangements, including, but not limited to, the New Equity Incentive Plan, cannot exceed 10% of the issued and outstanding Common Shares. Furthermore, the Plan Administrator shall not make grants of awards to eligible persons who are directors but not otherwise employees of the Corporation if, after giving effect to such grants of awards, the aggregate number of Common Shares issuable to such directors, to Directors, at the time of such grant, under all of the Corporation’s security based compensation arrangements exceeds 5% of the issued and outstanding Common Shares.

Administration of the New Equity Incentive Plan

The plan administrator of the New Equity Incentive Plan (the “**Plan Administrator**”) will be determined by the Board, and will initially be the Board of Directors as a whole, but may in the future be delegated to a committee of the Board as may be established by the Board from time to time. The Plan Administrator will determine which employees, directors, officers or consultants are eligible to receive awards under the New Equity Incentive Plan. In addition, the Plan Administrator will interpret the New Equity Incentive Plan and may adopt administrative rules, regulations, procedures and guidelines governing the New Equity Incentive Plan or any awards granted under the New Equity Incentive Plan as it deems to be appropriate.

Types of Awards

The following types of awards may be made under the New Equity Incentive Plan: stock options, restricted share units and deferred share units. All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Plan Administrator, in its sole discretion, subject to such limitations provided in the New Equity Incentive Plan, and will generally be evidenced by an award agreement. In addition, subject to the limitations provided in the New Equity Incentive Plan and in accordance with applicable law, the Plan Administrator may accelerate or defer the vesting, settlement or payment of awards, cancel or modify outstanding awards, and waive any condition imposed with respect to awards or Common Shares issued pursuant to awards.

1. Stock Options

A stock option is a right to purchase Common Shares upon the payment of a specified exercise price as determined by the Plan Administrator at the time the stock option is granted. Subject to certain adjustments and whether the Common Shares are then trading on any stock exchange, the exercise price shall be not less than the volume weighted average closing price of the Common Shares for the five days immediately preceding the date of grant (the “**Market Price**”). The Plan Administrator, shall have the authority to determine the vesting terms applicable to the grants of options

Subject to any accelerated termination as set forth in the New Equity Incentive Plan, each stock option expires on the date that is the earlier of ten years from the date of grant or such earlier date as may be set out in the participant's award agreement.

Unless otherwise specified by the Plan Administrator at the time of granting a stock option, the exercise notice of such option must be accompanied by payment in full of the purchase price for the Common Shares underlying the options to be purchased. The exercise price must be fully paid by certified cheque, bank draft or money order payable to the Corporation or by such other means as might be specified from time to time by the Plan Administrator, which may include (a) through an arrangement with a broker approved by the Corporation (or through an arrangement directly with the Corporation) whereby payment of the exercise price is accomplished with the proceeds of the sale of Common Shares deliverable upon the exercise of the stock option, (b) through the cashless exercise process set out in the Plan and described below, or (c) such other consideration and method of payment for the issuance of Common Shares to the extent permitted by applicable securities laws, or any combination of the foregoing methods of payment.

Subject to the approval of the Plan Administrator, a Participant may elect to receive upon the exercise of a stock option in accordance with the terms of this Plan (instead of payment of the exercise price and receipt of Common Shares issuable upon payment of the exercise price) the number of Common Shares equal to: (i) the Market Price of the Common Shares issuable on the exercise of such stock option (or portion thereof) as of the date such stock option (or portion thereof) is exercised, less (ii) the aggregate exercise price of the stock option (or portion thereof) surrendered relating to such Common Shares, divided by (iii) the Market Price per Common Share, as of the date such stock option (or portion thereof) is exercised.

No Common Shares will be issued or transferred upon the exercise of stock options in accordance with the terms of the grant until full payment therefor has been received by the Corporation.

2. Restricted Share Units

A restricted share unit is a unit equivalent in value to a Common Share credited by means of a bookkeeping entry in the books of the Corporation which entitles the holder to receive one Common Share for each restricted share unit after a specified vesting period determined by the Plan Administrator. The number of restricted share units (including fractional restricted share units) granted at any particular time is determined by dividing (a) the aggregate dollar value of the applicable grant, by (b) the Market Price of a Common Share on the date of grant. Upon settlement, holders will receive (a) one fully paid and non-assessable Common Share in respect of each vested restricted share unit, or (b) subject to the approval of the Plan Administrator, a cash payment. The cash payment is determined by multiplying the number of restricted share units redeemed for cash by the Market Price of the Common Share on the date of settlement.

3. Deferred Share Units

A deferred share unit is a unit equivalent in value to a Common Share credited by means of a bookkeeping entry in the books of the Corporation which entitles the holder to receive one Common Share for each deferred share unit on a future date, generally upon termination of service to the Corporation. The number of deferred share units (including fractional deferred share units) granted at any particular time is determined by dividing (a) the aggregate dollar value of the applicable grant, by (b) the Market Price of a Common Share on the date of grant. Upon settlement, holders will receive (a) one fully paid and non-assessable Common Share in respect of each vested deferred share unit, or (b) subject to the approval of the Plan Administrator, a cash payment. The cash payment is determined with reference to the Market Price in the same manner as with the restricted share units.

4. Dividend Equivalents

Restricted share units and deferred share units shall be credited with dividend equivalents in the form of additional restricted share units and deferred share units, as applicable. Dividend equivalents shall vest in proportion to, and settle in the same manner as, the awards to which they relate. Such dividend equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Common Share by the number of restricted share units and deferred share units, as applicable, held by the participant on the record date for the payment of such dividend, by (b) the Market Price at the close of the first business day immediately following the dividend record date, with fractions computed to three decimal places.

Black-out Periods

If an award expires during, or within five business days after, a trading black-out period imposed by the Corporation to restrict trades in its securities, then, notwithstanding any other provision of the New Equity Incentive Plan, unless the delayed expiration would result in tax penalties, the award shall expire ten business days after the trading black-out period is lifted by the Corporation.

Terminations

All awards granted under the New Equity Incentive Plan will expire on the date set out in the applicable award agreement, subject to early expiry in certain circumstances, provided that in no circumstances will the duration of an award granted under the New Equity Incentive Plan exceed 10 years from its date of grant.

Termination of Employment or Services

The following table describes the impact of certain events that may, unless otherwise determined by the Plan Administrator or as set forth in an award agreement, lead to the early expiry of awards granted under the New Equity Incentive Plan:

Event	Provisions
For all Participants In the case of death or disability	Acceleration of vesting of all unvested awards
Voluntary resignation Termination for cause	Forfeiture of all unvested awards
Termination other than for cause	Acceleration of vesting of a prorated portion of all unvested awards Forfeiture of all other unvested awards

Change in Control

Except as provided in an employment, consulting or written arrangement, if a participant's employment, consulting agreement or arrangement is terminated within 12 months following a change in control, all awards vest and options may be exercised until the earlier of (a) 90 days after termination, and, (b) the expiry date of the option. However, the New Equity Incentive Plan provides that in connection with a change in control, the Plan Administrator may (a) cause awards to be converted or exchanged into or for rights or other securities in any entity participating in or resulting from the change in control, (b) cause any unvested or unearned awards to become fully vested or earned upon or immediately prior to the occurrence of such change in control, (c) terminate an award for cash and/or other property, or (d) replace the awards with other rights.

Subject to certain exceptions, a change in control means (a) any transaction pursuant to which a person or group acquires more than 50% of the outstanding Common Shares, (b) the sale of all or substantially all of the assets or the dissolution of the Corporation, (c) the acquisition of the Corporation via consolidation, merger, exchange of securities, purchase of assets, amalgamation, statutory arrangement or otherwise, (d) individuals who comprise the Board at the last annual meeting of shareholders (the "Incumbent Board") cease to constitute at least a majority of the Board, unless the election, or nomination for election by the shareholders, of any new director was approved by a vote of at least a majority of the Incumbent Board, or in which case such new director shall be considered as a member of the Incumbent Board.

Non-Transferability of Awards

Subject to certain exceptions provided under the New Equity Incentive Plan, and unless otherwise provided by the Plan Administrator, and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a participant, by will or as required by law, no assignment or transfer of awards granted under the New Equity Incentive Plan, whether voluntary, involuntary, by operation of law or otherwise, is permitted.

Amendments to the New Equity Incentive Plan

The Plan Administrator may also from time to time, without notice and without approval of the holders of voting shares, amend, modify, change, suspend or terminate the New Equity Incentive Plan or any awards granted pursuant thereto as it, in its discretion, determines appropriate, provided that (a) no such amendment, modification, change, suspension or termination of the New Equity Incentive Plan or any award granted pursuant thereto may materially impair any rights of a holder or materially increase any obligations of a holder under the New Equity Incentive Plan without the consent of such holder, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements, and (b) any amendment that would cause an award held by a U.S. Taxpayer (as such term is defined in the New Equity Incentive Plan) to be subject to the additional tax penalty under Section 409A(1)(b)(i)(II) of the United States Internal Revenue Code of 1986, as amended, shall be null and void ab initio.

Dunbar and Thomas W Meredith have the industry experience necessary to understand and analyze financial statements of the level of complexity of the Corporation, as well as the understanding of internal controls and procedures necessary for financial reporting.

Audit Committee Oversight

Since the commencement of the Corporation’s most recently completed fiscal year, the Corporation’s Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Corporation’s most recently completed financial year and the effective date of NI 52-110, the Corporation has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditors, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total amount of fees payable to the auditors in the fiscal year in which the non-audit services were provided. CORPORATE GOVERNANCE

National Instrument Policy 58-201 - “Corporate Governance Guidelines” (the “**Guidelines**”) and National Instrument 58-101 - “Disclosure of Corporate Governance Practices” (“**NI 58-101**”) requires that each reporting issuer annually disclose its corporate governance system with reference to the Guidelines or NI 58-101. The Guidelines have replaced the guidelines previously set forth by the Toronto Stock Exchange. These non-prescriptive Guidelines deal with such matters as constitution and independence of boards of directors and board committees, their functions, the

effectiveness and education of board members, and other means of ensuring sound corporate governance. The following is a summary of the Corporation's approach to corporate governance with reference to the Guidelines.

Board of Directors

The following table sets out the directors of the Corporation that are directors of other issuers that are reporting issuers (or their equivalent) in any Canadian jurisdiction or foreign jurisdiction:

Name of Director	Name of Reporting Issuer
Robin E. Dunbar	McEwen Mining Inc.
Edward J. Munden	Aquila Resources Inc.
Thomas W. Meredith	West Red Lake Gold Mines Inc. High Vista Gold Inc.

The Guidelines recommend that a majority of directors of a listed corporation be "independent" as defined by National Instrument 51-110 ("**NI 52-110**"). An independent director is a director who does not have any direct or indirect material relationship with the issuer. "Material relationship" is defined as a relationship which could, in the view of the company's board of directors, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 further sets out certain relationships which are deemed to be material relationships. In addition, Section 1.5 of NI 52-110 sets out "additional independence requirements" that provide that executive officers of a shareholder who "controls" a company are considered to have a "material relationship" with the company and consequently are not independent directors.

The Board has determined that out of the three members of the Board, one member, Robin E. Dunbar, the President and CEO of the Corporation is not an independent director and that Edward J. Munden and Thomas W. Meredith are independent directors. The same people are proposed for re-election to the board.

Board Mandate

The Board of Directors assumes ultimate responsibility for the stewardship of the Corporation and carries out its mandate directly and through considering recommendations it receives from the Committees of the Board and from management. The Board of Directors approves all materials acquisitions, dispositions and financings and other significant matters outside the ordinary course of the Corporations' business. The Corporation has adopted a code of business conduct which has been communicated to all consultants, employees and other service providers. The text of the Board Charter is annexed hereto as Schedule "B".

Management is responsible for the day-to-day operations of the Corporation, and pursues Board approved strategic initiatives within the context of authorized business, capital plans and corporate policies. The President is expected to report to the Board on a regular basis on short-term results and long-term development activities.

The Board is specifically responsible for adoption of a strategic planning process, identification of principal risks and implementing risk-management systems, and succession planning.

Each director is elected annually by the shareholders and serves for a term that will end at the Corporation's next annual meeting. The Board believes that three directors is a sufficient number to ensure the Board will be able to function independently of management, but that this number may need to be increased in the future. The Board has regularly scheduled quarterly meetings with special meetings to review matters when needed. The Board encourages its independent members to hold separate discussions regarding the Corporation to the extent such directors believe this is necessary.

Position Descriptions

The Board of Directors has not developed written position descriptions for the Chairman, the chairman of any Board committees or the Chief Executive Officer. The Board is of the view that given the size of the Corporation, the relatively frequent discussions between Board members and the CEO and senior management, and the experience of the individual members of the Board, the responsibilities of such individuals are known and understood without

position descriptions being reduced to writing. The Board will evaluate this position from time to time, and if written position descriptions appear to be justified, they will be prepared.

Orientation and Continuing Education

At present, the Board does not provide an official orientation or training program to its new directors. Each of the members of the Board has had solid experience in the industry as well as has had experience in acting as a director of public or private companies, or both. The Corporation's legal counsel is made available to the directors to assist them in better understanding what their legal responsibilities are.

Ethical Business Conduct

The Corporation has adopted a Code of Ethics for directors, officers, consultants and employees. The Corporation requires the highest standards of professional and ethical conduct from its directors, officers and employees and believes that its reputation for honesty and integrity among its stakeholders is key to the success of its business. In that regard, to create a culture of honesty, integrity and accountability, discussion, on an informal basis, is had amongst the Board, management and employees respecting such matters as the retention of confidential information, insider trading rules, the obligation to declare conflicts of interests, the exercise of fair dealing with suppliers and other third parties and the necessity to comply with applicable laws, regulations and rules.

BOARD COMMITTEES

Audit Committee and Disclosure Committee

The Audit Committee is comprised of three members, Robin E. Dunbar, Edward J. Munden and Thomas W. Meredith, two of whom are independent directors. All of the members are financially literate.

The Audit Committee met four times last year. The mandate of the Audit Committee provides that its members shall meet at least quarterly prior to the release of the interim and annual financial results. The Board has approved a charter for the Audit Committee, a copy of which is attached as Schedule "A".

The Audit Committee also functions as the Disclosure Committee of the Board. The principal responsibilities of the Disclosure Committee consist of reviewing and implementing a communication policy for the Corporation and maintaining the integrity of the Corporation's internal control, management information and public disclosure systems.

Compensation Committee

The Compensation Committee is comprised of two members, Thomas W. Meredith and Edward J. Munden both of whom are independent directors. The principal responsibilities of the Compensation Committee consist of reviewing the compensation of the chief executive officer of the Corporation and other senior executives of the Corporation and providing recommendations to the Board for approval. The Board has approved a charter for the Compensation Committee.

Executive compensation is designed to encourage, compensate and reward employees on the basis of individual and corporate performance, other in the short and long term. Compensation for each of the executive officers consists of a base salary, bonus and stock options. Compensation is directly tied to corporate and individual performance.

The Corporation's business strategy, goals and objective for the Chief Executive Officer are reviewed annually. The Board receives at least quarterly updates from management on strategic developments and reviews and adjusts the compensation as necessary.

Stock Options are designed to give each optionee an interest in preserving and maximizing long-term shareholder value to enable the Corporation to attract and retain individuals with experience and ability and to reward individuals for current performance and expected future performance.

Other Committees of the Board

Currently, due to the size of the Corporation and its board of directors, the functions of an executive committee, corporate governance committee and nominating committee are performed by the entire board of directors.

Assessments

The practices of the Board respecting the above corporate governance matters are subject to modifications during the evolution of the Corporation. Consequently, the Board keeps in mind the questions surrounding corporate governance and tries to constantly assess, and if necessary, create measures, control mechanisms and the necessary structures to ensure the efficient execution of its responsibilities, without creating additional general fees and without reducing the performance of the Corporation.

In the event an action is required to be taken or a payment is required to be made on a day which is not a Business Day such action shall be taken or such payment shall be made by the immediately preceding Business Day.

ARTICLE 3 ADMINISTRATION

3.1 Administration

This Plan will be administered by the Plan Administrator and the Plan Administrator has sole and complete authority, in its discretion, to:

- (a) determine the individuals to whom grants under the Plan may be made;
- (b) make grants of Awards under the Plan relating to the issuance of Shares (including any combination of Options, Restricted Share Units or Deferred Share Units) in such amounts, to such Persons and, subject to the provisions of this Plan, on such terms and conditions as it determines including without limitation:
 - (i) the time or times at which Awards may be granted;
 - (ii) the conditions under which:
 - (A) Awards may be granted to Participants; or
 - (B) Awards may be forfeited to the Corporation,

- including any conditions relating to the attainment of specified Performance Goals;
- (iii) the number of Shares to be covered by any Award;
 - (iv) the price, if any, to be paid by a Participant in connection with the purchase of Shares covered by any Awards;
 - (v) whether restrictions or limitations are to be imposed on the Shares issuable pursuant to grants of any Award, and the nature of such restrictions or limitations, if any; and
 - (vi) any acceleration of exercisability or vesting, or waiver of termination regarding any Award, based on such factors as the Plan Administrator may determine;
- (c) establish the form or forms of Award Agreements;
 - (d) cancel, amend, adjust or otherwise change any Award under such circumstances as the Plan Administrator may consider appropriate in accordance with the provisions of this Plan;
 - (e) construe and interpret this Plan and all Award Agreements;
 - (f) adopt, amend, prescribe and rescind administrative guidelines and other rules and regulations relating to this Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws or for qualifying for favorable tax treatment under applicable foreign laws; and
 - (g) make all other determinations and take all other actions necessary or advisable for the implementation and administration of this Plan.

3.2 Delegation to Committee

- (a) The initial Plan Administrator shall be the Board.
- (b) To the extent permitted by applicable law, the Board may, from time to time, delegate to a committee of the Board (the “**Committee**”) all or any of the powers conferred on the Plan Administrator pursuant to this Plan, including the power to sub-delegate to any specified officer(s) of the Corporation or its subsidiaries all or any of the powers delegated by the Board. In such event, the Committee or any sub-delegate will exercise the powers delegated to it in the manner and on the terms authorized by the delegating party. Any decision made or action taken by the Committee or any sub-delegate arising out of or in connection with the administration or interpretation of this Plan in this context is final and conclusive and binding on the Corporation and all Affiliates of the Corporation, all Participants and all other Persons.

3.3 Determinations Binding

Any decision made or action taken by the Board, the Committee or any sub-delegate to whom authority has been delegated pursuant to Section 3.2 arising out of or in connection with the administration or interpretation of this Plan is final, conclusive and binding on the Corporation, the affected Participant(s), their legal and personal representatives and all other Persons.

3.4 Eligibility

All Employees, Consultants and Directors are eligible to participate in the Plan, subject to Section 8.1(d). Participation in the Plan is voluntary and eligibility to participate does not confer upon any Employee, Consultant or Director any right to receive any grant of an Award pursuant to the Plan. The extent to which any Employee,

Consultant or Director is entitled to receive a grant of an Award pursuant to the Plan will be determined in the sole and absolute discretion of the Plan Administrator.

3.5 Board Requirements

Any Award granted under this Plan shall be subject to the requirement that, if at any time the Corporation shall determine that the listing, registration or qualification of the Shares issuable pursuant to such Award upon any securities exchange or under any Securities Laws of any jurisdiction, or the consent or approval of the Exchange and any securities commissions or similar securities regulatory bodies having jurisdiction over the Corporation is necessary as a condition of, or in connection with, the grant or exercise of such Award or the issuance or purchase of Shares thereunder, such Award may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval. Participants shall, to the extent applicable, cooperate with the Corporation in complying with such legislation, rules, regulations and policies.

3.6 Total Shares Subject to Awards

- (a) Subject to adjustment as provided for in Article 9 and any subsequent amendment to the Plan, the aggregate number of Shares reserved for issuance pursuant to Awards granted under the Plan and the Prior Plan shall not exceed 10% of the Shares issued and outstanding from time to time. The Plan is considered an “evergreen” plan, since the shares covered by Awards which have been exercised or terminated shall be available for subsequent grants under the Plan and the number of Awards available to grant increases as the number of issued and outstanding units increases.
- (b) To the extent any (i) Awards (or portion(s) thereof) under the Plan or (ii) awards (or portion(s) thereof) under the Prior Plan terminate or are cancelled for any reason prior to exercise in full, or are surrendered to the Corporation by the Participant, except surrenders relating to the payment of the purchase price of any such award or the satisfaction of the tax withholding obligations related to any such award, the Shares subject to such awards (or portion(s) thereof) shall be added back to the number of Shares reserved for issuance under this Plan and will again become available for issuance pursuant to the exercise of Awards granted under this Plan.
- (c) Any Shares issued by the Corporation through the assumption or substitution of outstanding stock options or other equity-based awards from an acquired company shall not reduce the number of Shares available for issuance pursuant to the exercise of Awards granted under this Plan.

3.7 Limits on Grants of Awards

Notwithstanding anything in this Plan:

- (a) the aggregate number of Shares:
 - (i) issuable to Insiders at any time, under all of the Corporation’s Security Based Compensation Arrangements, shall not exceed 10% of the issued and outstanding Shares;
 - (ii) issued to Insiders within any one year period, under all of the Corporation’s Security Based Compensation Arrangements, shall not exceed 10% of the issued and outstanding Shares (on a non-diluted basis);
 - (iii) issued to persons or Consultants employed in Investor Relations Activities (as defined in the policies of the Exchange) shall vest in stages over 12 months with no more than ¼ of the Options vesting in any three month period;

- (iv) issued to any one Participant and such Participant's associates under all of the Corporation's Security Based Compensation Arrangements in any 12 month period shall be 5% of the issued and outstanding Shares at the date of the issuance (on a non-diluted basis);
- (v) issued to persons employed in Investor Relations Activities under the Plan or under all of the Corporation's Security Based Compensation Arrangements, in any 12 month period shall not exceed 2% of the Shares outstanding at the date of grant (on a non-diluted basis); and
- (vi) issued to any one person employed as a Consultant under the Plan or any other Share Compensation Arrangement in any 12 month period shall not exceed 2% of the Shares outstanding at the date of the grant (on a non-diluted basis).

provided that the acquisition of Shares by the Corporation for cancellation shall not constitute non-compliance with this Section 3.7 for any Awards outstanding prior to such purchase of Shares for cancellation; and

3.8 Award Agreements

Each Award under this Plan will be evidenced by an Award Agreement. Each Award Agreement will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Plan Administrator may direct. Any one officer of the Corporation is authorized and empowered to execute and deliver, for and on behalf of the Corporation, an Award Agreement to each Participant granted an Award pursuant to this Plan.

3.9 Non-transferability of Awards

Except as permitted by the Plan Administrator, and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant, by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect.

ARTICLE 4 OPTIONS

4.1 Grant of Options

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant Options to any Participant. The terms and conditions of each Option grant shall be evidenced by an Award Agreement.

4.2 Exercise Price

The Plan Administrator will establish the Exercise Price at the time each Option is granted, which Exercise Price must in all cases be not less than the Market Price on the Date of Grant.

4.3 Term of Options

Subject to any accelerated termination as set forth in this Plan, each Option expires on its Expiry Date.

4.4 Vesting and Exercisability

- (a) The Plan Administrator shall have the authority to determine the vesting terms applicable to grants of Options.
- (b) Once an instalment becomes vested, it shall remain vested and shall be exercisable until expiration or termination of the Option, unless otherwise specified by the Plan Administrator, or as may be otherwise set forth in any written employment agreement, or other written agreement between the Corporation or a Designated Affiliate and the Participant. Each Option or instalment may be exercised at any time or from time to time, in whole or in part, for up to the total number of Option Shares with respect to which it is then exercisable. The Plan Administrator has the right to accelerate the date upon which any instalment of any Option becomes exercisable.
- (c) Subject to the provisions of this Plan and any Award Agreement, Options shall be exercised by means of a fully completed Exercise Notice delivered to the Corporation.
- (d) The Plan Administrator may provide at the time of granting an Option that the exercise of that Option is subject to restrictions, in addition to those specified in Section 4.4, such as performance-based vesting conditions.

4.5 Payment of Exercise Price

- (a) Unless otherwise specified by the Plan Administrator at the time of granting an Option, the Exercise Notice must be accompanied by payment in full of the purchase price for the Option Shares to be purchased. The Exercise Price must be fully paid by certified cheque, bank draft or money order payable to the Corporation or by such other means as might be specified from time to time by the Plan Administrator, which may include (i) through an arrangement with a broker approved by the Corporation (or through an arrangement directly with the Corporation) whereby payment of the exercise price is accomplished with the proceeds of the sale of Shares deliverable upon the exercise of the Option, (ii) through the cashless exercise process set out in Section 4.5(b), or (iii) such other consideration and method of payment for the issuance of Shares to the extent permitted by the Securities Laws, or any combination of the foregoing methods of payment.
- (b) Subject to the approval of the Plan Administrator, a Participant may elect to receive upon the exercise of an Option in accordance with the terms of this Plan (instead of payment of the exercise price and receipt of Shares issuable upon payment of the exercise price) the number of Shares equal to:
 - (i) the Market Price of the Shares issuable on the exercise of such Option (or portion thereof) as of the date such Option (or portion thereof) is exercised, less
 - (ii) the aggregate Exercise Price of the Option (or portion thereof) surrendered relating to such Shares, divided by
 - (iii) the Market Price per Share, as of the date such Option (or portion thereof) is exercised.
- (c) No Shares will be issued or transferred until full payment therefor has been received by the Corporation.

ARTICLE 5 RESTRICTED SHARE UNITS

5.1 Granting of RSUs

- (a) The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant RSUs to any Participant.
- (b) The number of RSUs (including fractional RSUs) granted at any particular time pursuant to this Article 5 will be calculated by dividing (i) the amount of any compensation that is to be paid in RSUs, as determined by the Plan Administrator, by (ii) the Market Price of a Share on the Date of Grant.

5.2 RSU Account

All RSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant. The terms and conditions of each RSU grant shall be evidenced by an Award Agreement.

5.3 Vesting of RSUs

The Plan Administrator shall have the authority to determine any vesting terms applicable to the grant of RSUs.

5.4 Settlement of RSUs

- (a) The Plan Administrator shall have the authority to determine the settlement terms applicable to the grant of RSUs. Subject to Section 10.6(d) below, on the settlement date for any RSU, the Participant shall redeem each vested RSU for:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct; or
 - (ii) subject to the approval of the Plan Administrator, a cash payment.
- (b) Any cash payments made under this Section 5.4 by the Corporation to a Participant in respect of RSUs to be redeemed for cash shall be calculated by multiplying the number of RSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (c) Payment of cash to Participants on the redemption of vested RSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.

ARTICLE 6 DEFERRED SHARE UNITS

6.1 Granting of DSUs

- (a) The Board may fix from time to time a portion of the Director Fees that is to be payable in the form of DSUs. In addition, each Electing Person is given, subject to the conditions stated herein, the right to elect in accordance with Section 6.1(b) to participate in the grant of additional DSUs pursuant to this Article 6. An Electing Person who elects to participate in the grant of additional DSUs pursuant to this Article 6 shall receive their Elected Amount (as that term is defined below) in the form of DSUs in lieu of cash. The "**Elected Amount**" shall be an amount, as elected by the Director, in accordance with applicable tax law, between 0% and 100% of any Director Fees that are otherwise intended to be paid in cash (the "**Cash Fees**").

- (b) Each Electing Person who elects to receive their Elected Amount in the form of DSUs in lieu of cash will be required to file a notice of election in the form of Schedule A hereto (the “**Election Notice**”) with the Chief Financial Officer of the Corporation: (i) in the case of an existing Electing Person, by December 31st in the year prior to the year to which such election is to apply (other than for Director Fees payable for the 2018 financial year, in which case any Electing Person who is not a U.S. Taxpayer as of the date of this Plan shall file the Election Notice by the date that is 30 days from the effective date of the Plan with respect to compensation paid for services to be performed after such date); and (ii) in the case of a newly appointed Electing Person who is not a U.S. Taxpayer, within 30 days of such appointment with respect to compensation paid for services to be performed after such date. In the case of an existing Electing Person who is a U.S. Taxpayer as of the Effective Date of this Plan, an initial Election Notice may be filed by the date that is 30 days from the Effective Date only with respect to compensation paid for services to be performed after the Election Date; and, in the case of a newly appointed Electing Person who is a U.S. Taxpayer, an Election Notice may be filed within 30 days of such appointment only with respect to compensation paid for services to be performed after the Election Date. If no election is made within the foregoing time frames, the Electing Person shall be deemed to have elected to be paid the entire amount of his or her Cash Fees in cash.
- (c) Subject to Subsection 6.1(d), the election of an Electing Person under Subsection 6.1(b) shall be deemed to apply to all Cash Fees paid subsequent to the filing of the Election Notice, and such Electing Person is not required to file another Election Notice for subsequent calendar years
- (d) Each Electing Person who is not a U.S. Taxpayer is entitled once per calendar year to terminate his or her election to receive DSUs in lieu of Cash Fees by filing with the Chief Financial Officer of the Corporation a notice in the form of Schedule B hereto. Such termination shall be effective immediately upon receipt of such notice, provided that the Corporation has not imposed a “black-out” on trading. Thereafter, any portion of such Electing Person’s Cash Fees payable or paid in the same calendar year and, subject to complying with Subsection 6.1(b), all subsequent calendar years shall be paid in cash. For greater certainty, to the extent an Electing Person terminates his or her participation in the grant of DSUs pursuant to this Article 6, he or she shall not be entitled to elect to receive the Elected Amount, or any other amount of his or her Cash Fees in DSUs in lieu of cash again until the calendar year following the year in which the termination notice is delivered. An election by a U.S. Taxpayer to receive the Elected Amount in DSUs in lieu of cash for any calendar year is irrevocable for that calendar year after the expiration of the election period for that year and any termination of the election will not take effect until the first day of the calendar year following the calendar year in which the termination notice in the form of Schedule C is delivered.
- (e) Any DSUs granted pursuant to this Article 6 prior to the delivery of a termination notice pursuant to Section 6.1(d) shall remain in the Plan following such termination and will be redeemable only in accordance with the terms of the Plan.
- (f) The number of DSUs (including fractional DSUs) granted at any particular time pursuant to this Article 6 will be calculated by dividing (i) the amount of any Director Fees that are to be paid in DSUs (including any Elected Amount), by (ii) the Market Price of a Share on the Date of Grant.
- (g) In addition to the foregoing, the Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant DSUs to any Participant.

6.2 DSU Account

All DSUs received by a Participant (which, for greater certainty includes Electing Persons) shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant. The terms and conditions of each DSU grant shall be evidenced by an Award Agreement.

6.3 Vesting of DSUs

Except as otherwise determined by the Plan Administrator, DSUs shall vest immediately upon grant.

6.4 Settlement of DSUs

- (a) DSUs shall be settled on the date established in the Award Agreement; provided, however that in no event shall a DSU Award be settled prior to, or, subject to the discretion of the Plan Administrator, later than one year following, the date of the applicable Participant's separation from service. In no event shall a DSU Award be settled later than three years following the date of the applicable Participant's separation from service. If the Award Agreement does not establish a date for the settlement of the DSUs, then the settlement date shall be the date of separation from service, subject to the delay that may be required under Section 10.6(d) below. Subject to 10.6(d) below, on the settlement date for any DSU, the Participant shall redeem each vested DSU for:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct; or
 - (ii) subject to the approval of the Plan Administrator, a cash payment.
- (b) Any cash payments made under this Section 6.4 by the Corporation to a Participant in respect of DSUs to be redeemed for cash shall be calculated by multiplying the number of DSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (c) Payment of cash to Participants on the redemption of vested DSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.

ARTICLE 7 ADDITIONAL AWARD TERMS

7.1 Dividend Equivalents

- (a) Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, RSUs and DSUs shall be credited with dividend equivalents in the form of additional RSUs and DSUs, respectively, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of RSUs and DSUs, as applicable, held by the Participant on the record date for the payment of such dividend, by (b) the Market Price at the close of the first business day immediately following the dividend record date, with fractions computed to three decimal places. Dividend equivalents credited to a Participant's accounts shall vest in proportion to the RSUs and DSUs to which they relate, and shall be settled in accordance with Subsections 5.4 and 6.4, respectively.
- (b) The foregoing does not obligate the Corporation to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

7.2 Black-out Period

If an Award expires during, or within five business days after, a routine or special trading black-out period imposed by the Corporation to restrict trades in the Corporation's securities, then, notwithstanding any other provision of this Plan, unless the delayed expiration would result in tax penalties, the Award shall expire ten business days after the trading black-out period is lifted by the Corporation.

7.3 Withholding Taxes

The granting or vesting of each Award under this Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant or vesting, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or an Affiliate of the Corporation is obliged to remit to the relevant taxing authority in respect of the granting or vesting of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or an Affiliate of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or any Designated Affiliate to the Participant, (b) require the sale of a number of Shares issued upon exercise, vesting, or settlement of such Award and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount or (c) enter into any other suitable arrangements for the receipt of such amount.

7.4 Recoupment

Notwithstanding any other terms of this Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or an Affiliate of the Corporation and in effect at the Date of Grant of the Award, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 7.4 to any Participant or category of Participants.

ARTICLE 8 TERMINATION OF EMPLOYMENT OR SERVICES

8.1 Termination of Employment, Services or Director

Subject to Section 8.2, unless otherwise determined by the Plan Administrator or as set forth in an Award Agreement:

- (a) where a Participant's employment, consulting agreement or arrangement is terminated or the Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant or termination by the Corporation or a Designated Affiliate for Cause, then any Option or other Award held by the Participant that has not vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date;
- (b) where a Participant's employment, consulting agreement or arrangement is terminated by the Corporation or a Designated Affiliate without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice); then:
 - (i) a portion of any Options or other Awards not yet vested shall immediately vest, such portion to be equal to the number of unvested Options or other Awards multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date the unvested Options or other Awards were originally scheduled to vest. For clarity and by way of example, if a participant's employment is terminated 400 days following the Date of Grant and unvested Awards were originally scheduled to vest 600 days from the Date of Grant, two-thirds of the unvested Options or other Awards will immediately vest. In such a scenario the Plan Administrator reserves the right to defer settlement to the originally scheduled settlement date provided any related taxes can also be deferred and provided the timing of the settlement for U.S. Taxpayers complies with the requirements of Section 409A of the Code; and

- (ii) subject to Subsection 8.1(b)(i), any Options or other Awards held by the Participant that are not yet vested at the Termination Date shall be immediately forfeited to the Corporation;
- (c) where a Participant's employment is terminated by reason of the death of the Participant or the Participant becomes Disabled, then each Option or other Award held by the Participant that has not vested as of the date of the death or Disability, as applicable, of such Participant shall vest on such date;
- (d) a Participant's eligibility to receive further grants of Options or other Awards under this Plan ceases as of:
 - (i) the date that the Corporation or a Designated Affiliate, as the case may be, provides the Participant with written notification that the Participant's employment, consulting agreement or arrangement is terminated in the circumstances contemplated by this Section 8.1, notwithstanding that such date may be prior to the Termination Date; or
 - (ii) the date of the death or Disability of the Participant; and
- (e) notwithstanding Subsection 8.1(b), unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options or Awards are not affected by a change of employment agreement or arrangement, or directorship within or among the Corporation or a Designated Affiliate for so long as the Participant continues to be a Director, Employee or Consultant, as applicable, of the Corporation or a Designated Affiliate.

8.2 Discretion to Permit Acceleration

Notwithstanding the provisions of Section 8.1, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in such Section, or in an employment agreement or other written agreement between the Corporation or a Designated Affiliate and the Participant, permit the acceleration of vesting of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator.

8.3 Participants' Entitlement

Except as otherwise provided in this Plan, Awards previously granted under this Plan are not affected by any change in the relationship between, or ownership of, the Corporation and an Affiliate of the Corporation. For greater certainty, all grants of Awards remain outstanding and are not affected by reason only that, at any time, an Affiliate of the Corporation ceases to be an Affiliate of the Corporation.

ARTICLE 9 EVENTS AFFECTING THE CORPORATION

9.1 General

The existence of any Awards does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Article 9 would have an adverse effect on this Plan or on any Award granted hereunder.

9.2 Change in Control

Except as may be set forth in an employment agreement, or other written agreement between the Corporation or a Designated Affiliate and the Participant:

- (a) Notwithstanding anything else in this Plan or any Award Agreement, the Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause (i) the conversion or Exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value (or greater value), as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such merger or Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such merger or Change in Control; (iii) the termination of an Award in Exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights, then such Award may be terminated by the Corporation without payment); (iv) the replacement of such Award with other rights or property selected by the Board of Directors in its sole discretion; or (v) any combination of the foregoing. In taking any of the actions permitted under this subparagraph (a), the Plan Administrator will not be required to treat all Awards similarly in the transaction.
- (b) Notwithstanding Section 9.2(a), and unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on an Exchange, then the Corporation may terminate all of the Options granted under this Plan at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Option equal to the fair market value of the Option held by such Participant as determined by the Plan Administrator, acting reasonably.
- (c) Notwithstanding Section 8.1, and except as otherwise provided in an employment agreement, consulting agreement or arrangement, or other written agreement between the Corporation or a Designated Affiliate and a Participant, if within 12 months following the completion of a transaction resulting in a Change in Control, an Participant's employment, consulting agreement or arrangement is terminated by the Corporation or a Designated Affiliate without Cause, without any action by the Plan Administrator, the vesting of all Awards held by such Employee shall immediately accelerate, and all Options shall be exercisable notwithstanding Section 4.4 until the earlier of: (i) the Expiry Date of such Award; and (ii) the date that is 90 days after the Termination Date.
- (d) It is intended that any actions taken under this Section 9.2 will comply with the requirements of Section 409A of the Code with respect to Awards granted to U.S. Taxpayers.

9.3 Reorganization of Corporation's Capital

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

9.4 Other Events Affecting the Corporation

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by Exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange (if required), authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

9.5 Immediate Acceleration of Awards

Where the Plan Administrator determines that the steps provided in Sections 9.3 and 9.4 would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Plan Administrator may, but is not required, to permit the immediate vesting of any unvested Awards.

9.6 Issue by Corporation of Additional Shares

Except as expressly provided in this Article 9, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards.

9.7 Fractions

No fractional Shares will be issued pursuant to an Award. Accordingly, if, as a result of any adjustment under this Article 9 or a dividend equivalent, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 10 U.S. TAXPAYERS

10.1 Provisions for U.S. Taxpayers

Awards granted under this Plan to U.S. Taxpayers may be non-qualified stock options or incentive stock options qualifying under Section 422 of the Code (“ISOs”). Each Award shall be designated in the Award Agreement as either an ISO or a non-qualified stock option.

10.2 ISOs

Subject to any limitations in Section 3.6, the aggregate number of Shares reserved for issuance as an ISO shall not exceed 10% of the Shares issued and outstanding from time to time, and the terms and conditions of any ISOs granted to a U.S. Taxpayer on the Date of Grant hereunder, including the eligible recipients of ISOs, shall be subject to the provisions of Section 422 of the Code, and the terms, conditions, limitations and administrative procedures established by the Plan Administrator from time to time in accordance with this Plan. At the discretion of the Plan Administrator, ISOs may be granted to any employee of the Corporation, its parent or any subsidiary of the Corporation, as such terms are defined in Sections 424(e) and (f) of the Code.

10.3 ISO Grants to 10% Shareholders

Notwithstanding anything to the contrary in this Plan, if an ISO is granted to a U.S. Taxpayer who owns shares representing more than 10% of the voting power of all classes of shares of the Corporation or of a subsidiary or parent, as such terms are defined in Section 424(e) and (f) of the Code, on the Date of Grant, the term of the Option

shall not exceed five years from the time of grant of such Option and the Exercise Price shall be at least 110% of the Market Price of the Shares subject to the Option.

10.4 \$100,000 Per Year Limitation for ISOs Granted to U.S. Taxpayers

To the extent the aggregate Market Price as at the Date of Grant of the Shares for which ISOs are exercisable for the first time by any U.S. Taxpayer during any calendar year (under all plans of the Corporation) exceeds \$100,000, such excess ISOs shall be treated as non-qualified stock options.

10.5 Disqualifying Dispositions

Each U.S. Taxpayer awarded an ISO under this Plan shall notify the Corporation in writing immediately after the date he or she makes a disposition of any Shares acquired pursuant to the exercise of such ISO. The Corporation may, if determined by the Plan Administrator and in accordance with procedures established by it, retain possession of any Shares acquired pursuant to the exercise of an ISO as agent for the applicable person until the end of the period described in the preceding sentence, subject to complying with any instructions from such person as to the sale of such Share.

10.6 Section 409A of the Code

- (a) This Plan will be construed and interpreted to be exempt from, or where not so exempt, to comply with Section 409A of the Code to the extent required to preserve the intended tax consequences of this Plan. To the extent that an Award or payment, or the settlement or deferral thereof, is subject to Section 409A of the Code, the Award will be granted, paid, settled or deferred in a manner that will meet the requirements of Section 409A of the Code, such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Section 409A of the Code. The Corporation reserves the right to amend this Plan to the extent it reasonably determines is necessary in order to preserve the intended tax consequences of this Plan in light of Section 409A of the Code and any regulations or guidance under that section. In no event will the Corporation be responsible if Awards under this Plan result in adverse tax consequences to a U.S. Taxpayer under Section 409A of the Code.
- (b) All terms of the Plan that are undefined or ambiguous must be interpreted in a manner that complies with Section 409A of the Code if necessary to comply with Section 409A of the Code.
- (c) The Plan Administrator, in its sole discretion, may permit the acceleration of the time or schedule of payment of a U.S. Taxpayer's vested Awards in the Plan under circumstances that constitute permissible acceleration events under Section 409A of the Code.
- (d) Notwithstanding any provisions of the Plan to the contrary, in the case of any "specified employee" within the meaning of Section 409A of the Code who is a U.S. Taxpayer, distributions of non-qualified deferred compensation under Section 409A of the Code made in connection with a "separation from service" within the meaning set forth in Section 409A of the Code may not be made prior to the date which is 6 months after the date of separation from service (or, if earlier, the date of death of the U.S. Taxpayer). Any amounts subject to a delay in payment pursuant to the preceding sentence shall be paid as soon practicable following such 6-month anniversary of such separation from service.

**ARTICLE 11
AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN**

11.1 Amendment, Suspension, or Termination of the Plan

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion determines appropriate, provided, however, that:

- (a) no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable Securities Laws or Exchange requirements; and
- (b) any amendment that would cause an Award held by a U.S. Taxpayer be subject to the additional tax penalty under Section 409A(1)(b)(i)(II) of the Code shall be null and void ab initio with respect to the U.S. Taxpayer unless the consent of the U.S. Taxpayer is obtained.

11.2 Shareholder Approval

Notwithstanding Section 11.1 and subject to any rules of the Exchange, approval of the holders of the Shares shall be required for any amendment, modification or change that:

- (a) increases the percentage of Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (b) increases or removes the 10% limits on Shares issuable or issued to insiders as set forth in Subsection 3.7(a);
- (c) reduces the exercise price of an Award (for this purpose, a cancellation or termination of an Award of a Participant prior to its Expiry Date for the purpose of reissuing an Award to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Award) except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (d) extends the term of an Award beyond the original Expiry Date (except where an Expiry Date would have fallen within a blackout period applicable to the Participant or within 5 business days following the expiry of such a blackout period);
- (e) permits an Award to be exercisable beyond 10 years from its Date of Grant (except where an Expiry Date would have fallen within a blackout period of the Corporation);
- (f) increases or removes the limits on the participation of Directors;
- (g) permits Awards to be transferred to a Person; or
- (h) deletes or reduces the range of amendments which require approval of shareholders under this Section 11.2.

11.3 Permitted Amendments

Without limiting the generality of Section 11.1, but subject to Section 11.2, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;
- (b) making any amendments to the provisions set out in Article 8;
- (c) making any amendments to add covenants of the Corporation for the protection of Participants, as the case may be, provided that the Plan Administrator shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (d) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and Directors; or
- (e) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Plan Administrator shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

ARTICLE 12 MISCELLANEOUS

12.1 Legal Requirement

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its sole discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

12.2 No Other Benefit

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

12.3 Rights of Participant

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as an employee, consultant or director of the Corporation or an Affiliate of the Corporation. No Participant has any rights as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

12.4 Corporate Action

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Corporation from taking corporate action which is deemed by the Corporation to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

12.5 Conflict

In the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of this Plan shall govern. In the event of any conflict between or among the provisions of this Plan, an Award Agreement and (i) an employment agreement or other written agreement between the Corporation or a Designated Affiliate and a Participant which has been approved by the Chief Executive Officer of the Corporation (or where the Participant is the Chief Executive Officer, approved by a Director), the provisions of the employment agreement or other written agreement shall govern and (ii) any other employment agreement or other written agreement between the Corporation or a Designated Affiliate and a Participant, the provisions of this Plan shall govern.

12.6 Anti-Hedging Policy

By accepting the Option or Award each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of Exchange funds that are designed to hedge or offset a decrease in market value of Options or Awards.

12.7 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer to the Plan. Each Participant acknowledges that information required by the

Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

12.8 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Shares. The Corporation does not assume responsibility for the income or other tax consequences for the Participants and Directors and they are advised to consult with their own tax advisors.

12.9 International Participants

With respect to Participants who reside or work outside Canada and the United States, the Plan Administrator may, in its sole discretion, amend, or otherwise modify, without shareholder approval, the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the provisions of local law, and the Plan Administrator may, where appropriate, establish one or more sub-plans to reflect such amended or otherwise modified provisions.

12.10 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its Designated Affiliates.

12.11 General Restrictions and Assignment

Except as required by law, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

12.12 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

12.13 Notices

All written notices to be given by the Participant to the Corporation shall be delivered personally, e-mail or mail, postage prepaid, addressed as follows:
