Dear Shareholder:

You are receiving this notification as Grid Metals Corp. (formerly Mustang Minerals Corp.) (“Grid” or the “Company”) is using the notice and access model (“Notice and Access”) provided for under amendments to National Instrument 54-101 for the delivery of meeting materials to its shareholders for its annual general and special meeting of shareholders to be held on January 6, 2021 (“Meeting”). Under Notice and Access, instead of receiving printed copies of the Company’s management information circular (“Information Circular”), financial statements for the years ended December 31, 2019 and 2018 and management’s discussion and analysis (collectively, “Meeting Materials”), shareholders are receiving this notice with information on how they may access such Meeting Materials electronically. However, together with this notice, shareholders continue to receive a proxy (in the case of registered shareholders) or voting instruction form (in the case of non-registered shareholders), enabling them to vote at the Meeting. Grid has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Meeting Date, Location and Purposes

The Meeting will be held on January 6, 2021 (“Meeting Date”) at 11:00 am (Eastern Daylight Time) at **Blaney McMurtry LLP, 2 Queen Street East, Suite 1500, Toronto, ON M5C 3G5**, for the following purposes:

- (a) Financial Statement and Auditor’s Report: to receive and consider the audited consolidated financial statements of Grid for the financial years ended December 31, 2019 and 2018 and the report of the auditors thereon;
- (b) Appointment of Auditors: to appoint UHY McGovern, Hurley, Cunningham LLP as auditors of Grid for the ensuing year and to authorize the directors to fix their remuneration;
- (c) Election Of Directors: to elect the directors of Grid for the following year;
- (d) New Equity Incentive Plan: to consider an ordinary resolution, substantially in the form set out in the Management Information Circular, ratifying the New Equity Incentive Plan of the Corporation in the form set out at Schedule III to the Management Information Circular. A majority of the ‘disinterested’ shareholder votes cast in respect thereof is required in order to pass such resolution;
- (e) Approval of Maximum of 3,000,000 Restricted Share Units and Deferred Share Units under the New Equity Incentive Plan: to consider an ordinary resolution, substantially in the form set out in the Management Information Circular, approving the fixing of a maximum of 3,000,000 RSUs and DSUs, in the aggregate, authorized for issuance under the New Equity Incentive Plan. A majority of ‘disinterested’ shareholder votes cast in respect thereof is required in order to pass such resolution; and
- (f) Other Matters: to conduct such other business as may properly come before the Meeting or any adjournment or postponement.

For detailed information with respect to each of the above matters, please refer to the sub-section bearing the corresponding title under “Matters to be acted on at the Meeting” in the Information Circular.

Grid urges shareholders to review the Information Circular before voting.
